

WARRANTY

STANDARD WARRANTY

Oakridge Cabinets provides a Limited Lifetime Warranty on our products and covers the following from the date of installation:

- 5 year warranty on cabinet construction
- 5 year warranty on cabinet doors, finishes, handles/knobs
- lifetime mechanical warranty on drawer glides and hinges

The following is excluded from Oakridge's warranty:

- natural wear & tear
- unintended use of product
- damage due to moisture or water exposure
- natural features and conditions found in the wood species or finish attributes
 - we strive to obtain the most consistent grain and colouration available but every species of wood has natural characteristics unique to the tree it came from - *natural graining, colour and texture variations*
 - joint lines revealed due to expansion and contraction of wood doors, painted finishes & stains

This warranty is void if cabinetry has been subjected to improper temperature, moisture and/or humidity extremes

(relative humidity 35-55% and temperature ranges from 17-24°C)

This warranty shall become void if the cabinets are damaged by misuse, abuse, negligence, alterations, acts of God, improper installation or handling and storage of our cabinetry by others.

This warranty is only valid if the cabinetry is installed by Oakridge Cabinets. This warranty is transferable to future owners, only at the original site of installation. This warranty is in lieu of any and all other warranties, expressed or implied by Oakridge Cabinets or it's Associates and/or others and is only valid in Canada.
